An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Collard on 4/28/05.

The application has been amended as follows:

In the claims:

Claims 25-38 have been cancelled.

Claims 25-38 have been cancelled without prejudice to Applicant's right to file a divisional application.

The following is an examiner's statement of reasons for allowance:

Claims 1 and 4-24 are allowable because there is no teaching or suggestion in the prior art of a process for shaping and processing pipes, with a plurality of adjustable bending units comprising the combined steps of moving a plurality of bending units freely along at least one pipe, and performing a plurality of simultaneous bending operations using the adjustable bending units wherein the bending units comprises outer bending units which move towards each other longitudinally and inner bending units wherein the inner bending units move apart from each other laterally.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
